

Simple Way to
Take Off Fat

There can be nothing simpler than taking a convenient little tablet four times each day until your weight is reduced to normal. That's all—just purchase a case of Marmola Prescription Tablets from your druggist (or, if you prefer, send 75c to Marmola Co., 864 Woodward Ave., Detroit, Mich.) and follow directions. No dieting, no exercise. Eat what you want—be as lazy as you like and keep on getting slimmer. And the best part of Marmola Prescription Tablets is their harmlessness. That is your absolute safeguard.—Adv.

NEXT LEGISLATURE
REPUBLICAN 2 TO 1

ALBANY, Nov. 7.—Revised returns indicate that the next State Assembly will comprise 101 Republicans and the Senate 31 Republicans, three less in the upper branch than the necessary two-thirds to pass legislation over the Governor's veto. All members of important committees are returned.

Recent centres in the election of a Republican majority leader in the Senate. J. Henry Walters, who was considered the brains of the Whitman forces in the upper branch of the Legislature, ordinarily would be the choice for majority leader, but Sen-

ator George F. Thompson, it is reported, has enough Republican Senators pledged to insure his election. It is known that Thompson has been engaged for six months in cor-rolling votes. The outlook is for a lively fight over this post. Either Senator James A. Foley or James J. Walker will succeed Senator Wagner as Democratic leader.

In the Assembly, Thaddeus C. Sweet of Oswego will be re-elected Speaker without much of a struggle. It is understood here that he has more than enough pledges to insure his re-election.
